

TOURNAMENT FORMAT

MEN'S EVENT

The men's tournament will be contested by 12 teams, which have been split into four groups of three. There are two seeded teams in each group.

Group A	Group B	Group C	Group D
Pakistan - A1	Sri Lanka - B1	South Africa - C1	West Indies - D1
Bangladesh - A2	New Zealand - B2	India - C2	England - D2
Australia	Zimbabwe	Afghanistan	Ireland

Each group will be played on a round-robin basis with the top two sides progressing to the Super Eight stages.

In the Super Eight stages the groups will be made up of the following teams:

Super Eight	Group E	Group F	
	A1	B1	
	B2	A2	
	C1	C2	
	D2	D1	

Team names for the Super Eight stage are indicative, based on the top two teams from the Group stage qualifying.

If these two teams do qualify, they will be seeded in position one and two as specified, regardless of whether they finish first or second in their group.

For example, if Bangladesh wins Group A and Pakistan comes second, for the purposes of the Super Eights, Pakistan will still be A1 and Bangladesh will be A2. If one of the top teams is eliminated then the side qualifying will take the allocated seeding. If for example, Australia qualifies instead of Bangladesh, Australia will be A2.

Each side will play three matches in the Super Eights, on a round-robin basis, with the top two teams progressing to the semi-finals.
