

The **International Cricket Council** wishes to appoint a:

Development Events Manager

The **International Cricket Council** is the global governing body for the sport. The ICC Development Department's role is to promote cricket throughout its 94 Associate and Affiliate Member countries. We are currently looking for a Development Events Manager who will be primarily responsible for leading, overseeing and implementing the dynamic and rapidly expanding events structure/content of the Pepsi ICC Development Programme. This position will be based at our headquarters in Dubai.

This self-motivated and independent worker will be required to:

- Plan and manage all aspects of the ICC Intercontinental Cup first-class international competition – from costing to implementation
- Plan and manage all aspects of all of the Global Divisions of the Pepsi ICC World Cricket League (currently 3-4 events per year)
- Manage, maintain and implement hosting and participation nation agreements
- Act as Tournament Director at such events overseeing the roles of each host nation's Tournament Manager and Organising Committee
- Ensure best practice / high standard execution and on-budget delivery of all ICC development events, including those staged by the Pepsi ICC Regional Development Programmes
- Be ultimately responsible for other development event related areas, including but not limited to;
 - Player eligibility issues and management/recording;
 - Tournaments' data-base and records;
 - Development events' promotion and liaison with other Departments;
 - Special assignments and projects, etc.

The person will ideally have the following:

- Proven and successful event management and experience in international sporting competitions – especially in an amateur environment
- Sound event planning skills with an attention to detail and an ability to work with volunteers and administrators
- Strong budgeting and financial management abilities
- An ability to travel internationally for extended periods
- Experience in dealing with the challenges of cultural diversity
- Excellent written/verbal communication skills (meeting papers, presentations, reports)
- An understanding of, and passion for, cricket and its global development
- A working knowledge of sport sponsorship, Government opportunities and funding
- Degree level education in a relevant discipline.

If you feel that you can meet the challenge, please email your CV with a covering letter and details of your current salary and benefits to: recruitment@icc-cricket.com.

Closing date for applications is Thursday 18th March 2010.
